for Mill premises.

Sir,

We hereby beg to invote your kind reference to your No.0/2186-E D/ 7th April 1956 on the above subject calling upon us to send a copy of our application dated the 12th September 1955 on the above referred subject and state with regret that we could not attend to the matter earlier owing to various other preengagements. However, we now send the same herewith enclosed with a request for reconsideration of our case and grant us the said survery nos i.e. 5 acres of land out of the above quoted S.Nos. of yellapur and Sahasrahalli of yellapur.

While repeating our request for the grant of the land we beg to point out that the S.Nos. ~~applied~~ of the land applied for, though they belong to different villages of Yellapur Kasba and Sahasrahalli in Yellapur both S.Nos are on the Boarder of Yellapur town on Yellapur Sirsi Road just adjacent to the S.T.Bus stand and both the S.Nos. will form into a compact area of 5 acres most suitable for the mill premises. It is hardly a furlong or two from Yellapur bazaar.

Added to the rice mill we had a mind to start a Saw mill industry at Yellapur which is destitute of sawers and the people of which have had to go out of Yellapur even for their petty sawing work at great costs and inconvenience. For this purpose we had obtained necessary license and we had also purchased the requisite machinery. We wanted to start this small industry for the benefit of the people of Yellapur with our rice Mill in ~~this~~ the new premises intended tobe constructed in this proposed land but as ill luck would have it is now nearly 8 years since we applied for

for the land and the matter is still hanging on for reason or other and we have been much handicapped.

For your perusal we are enclosing a copy of a map showing the land applied for. The plot marked in red in the map denotes the land applied for. It is very near from Yellapur bazaar; both the S.Nos. will constitute a compact area of five acres most suitable for the aforesaid purposes and conveniently accessible to the people of Yellapur for all their milling and sawing requirements. Yellapur being destitute of sawers the starting of the small scale ~~mill~~ sawing industry will be a boon to them.

Sir, with these submissions we earnestly request you to make early arrangements to grant the land to us as applied for and encourage the small scale industries for the benefit of the people of Yellapur; for which we shall remain grateful.

Subject:- Grant of Site of ....
For Mill premises in F.S.No.68 A of Yellapur and F.S.No. 109 A of Sahasrahalli of Yellapur Taluka.

Sir,

We beg to lay before you the following few lines for your kind and sympethetic consideration.

Sir, we have been granted an area of 2-30-0 two acres and thirty guntas) out of the Forest S.No.68 A of Yellapur and 2-10-0 (two acres ten guntas) in Sahasrahalli Forest S.No.109 A of Yellapur Taluka was disforested under Government letter No.Agl and FD N o.8327/15320-J of 15-4-1953 for the purposes of mill premises, on our application made during the year 1948. The possession of the area is just to be received by us. But to note in surprise, we have been informed that the order passed for disforesting the area cancelled as the purpose for which the area is applied for does not come within the purpose referred to in G.R.No.AGL and FD.No.1054 D/28-1-55.

But we have to state that the present site of our mill in Yellapur situated in provate owned land. The period of non-agricultural assessment is only up to the period of 31st July 1955 by which we had to shift the mill to my own land in Yellapur town. So we had applied for the site as referred to above and the same was disforested considering the request on due consideration. Only the possession was to be received by us. But it is intimated that the Order disforesting the land are cancelled as it does not come with -in the policy of the Government under the G.R.No. of 28-1-1955.

Moreover we would like to state that there is no any other site suitable for the mill premises in the whole of the Yellapur Taluka. We therefore earnestly request you to consider our request for the site for the purpose i.e. for the Mill premises may kindly be reviewed and it

it may not be cancelled,as there is no any other suitable site is available in Yellapur Taluka, where is hardly possible to have suitable site for the mill premises other than the out of the forest areas

30

So, we would request that our request for the site in question may kindly be reconsidered and Order may kindly be passed to grant the land to us considering the nonavailability of other forest area in Yellapur town.

Hoping you will do the needful in the matter and grant the plot at an early date.

Sir,

Subject:- Grant of site for (Mill) in Forest Survey No.68 A of Yellapur and Forest Survey No.109 A of Shasrahalli of Yellapur Taluka

Sir,

In response to our application dated 20th July1956 on the above subject We have received a letter from the Assistant Secretary, Agriculture and Forests Department under letter No.8327/79830-E dated 8th August 1956 referring us to the previous letter dated 10th November 1955 rejecting our request.

In this connection we beg to state that the above mentioned site (measuring 5 acres) in Forest Survey No.68 A Yellapur and Forest Survey No.109 A of Sahasrahalli of Yellapur Taluka, which is a compact area, and is situated near the Yellapur Sirsi Road and on the border of Yellapur town (adjacent to the Panchayat area too) was actually granted to us by the Collector. The plot was even disorested and the Survey measurements undertaken and valuation also made and only the possession of the plot was actually to be handed over to us. After all these preliminaries were gone through, after a lapse of over five years, when it was all but decided that the possession of the site was to be given to us, like a bolt from the blue, another reply was sent to us intimating that since the grant of the land for the purpose allotted runs

counter to the policy enunciated in Government Resolution No. FDM 1054 dated 28th January 1956 the order granting us the plot in question should be treated as cancelled. Thus what was given to us by the right hand has been taken back by the left. Our hopes which were raised are again sought to be crushed.

We therefore earnestly beg of you to reconsider the matter and grant us the land as a special case. We need hardly mention that the site is ideally suited for the purpose of Rice-cum-Saw mill ~~and~~ which would be a veritable boon to the people of the Yellapur Taluka which is a backward area. This would also serve as a stimulus for other small scale and subsidiary industries like wood-carving etc. which fact, may be ascertained from a local enquiry. Your honour will be convinced of the suitability of this plot for the mill and about the usefulness of this mill for the people around after going through the records in this connection.

We therefore again implore you to kindly grant our request at least as a special case.

Hoping to be obliged.

No.S 105/7113 Karwar,19-6-1957.

Subject: Lands: Kanara
Disforestment of 5 acres in F.S. No.68A of Yellapur and S.No.109A of Sahasralli.

Reference: Endorsement No.FLD 1056/106223-E dated 1-10-1956, from Govt. of Bombay, A.& F.D.

The Manager, Raya Manjanath Shetty and Brothers, Ankola, have, in this case, applied for grant of a site measuring 5 acres out of F.S.No.68A of Yellapur and F.S.No.109A of Sahasralli in Yellapur taluka of this district for the purpose of erecting a Rice Mill and Godowns.

The facts of this case are briefly as follows:

2. The applicant had applied for this area in the past and the Government of Bombay were pleased to accord sanction for the disforestment of 5 acres of land (2-30-0 A.G. out of F.S.No.68A1 of Yellapur and 2-10-0 A.G. out of F.S.No.109A of Sahasralli, taluka Yellapur) for the purpose of installing a rice mill and godown attached to the mill (please vide Govt.letter, A.& F.D. Bombay, No.8327/9/15320-~~mR~~ J of 15-4-1953 at page 161 of the file). Measurement of the area was undertaken by the District Inspector of Land Records, Kanara, and he found that if an area of 2-30-0 A. G. out of F.S.No.68A1 of Yellapur was demarcated in accordance with

P.T.O.

the Government orders, there would be overlapping on the adjoining Sirsi-Yellapur road. To avoid this overlapping, the District Inspector of Land Records demarcated an area of 0-28-0 (A. G. A.) out of F.S.No.68A1 of Yellapur and 4-12-0 (A. G.) out of F.S. No.109A of Sahasralli to make up the total of 5-0-0 (A.) granted to the applicants. The Government of Bombay was, therefore, approached again to accord sanction for the disforestment of 0-28-0 (A. G. A.) out of F.S.No.68A1 of Yellapur and 4-12-0 (A. G. A.) out of F.S.No. 109A of Sahasralli, in modification of the orders issued in the Government letter dated 15-4-1953 quoted in paragraph 2 above.

In the meantime, revised orders regarding the general policy for granting forest lands in North Kanara District, were issued by Government in their A.& F.D.Resolution No.1054 dated 28-1-1955. In accordance with these revised orders, Bombay Government cancelled their previous orders issued in their letter dated 15-4-1953 sanctioning the disforestment of land in this case (copy of Bombay Government letter enclosed), since the purpose, viz.installing a rice mill and godown was not covered by paragraph 11(a) of Govt.Resolution, A.& F.D.No.FDM -1054 dated 28-1-1955.The applicant was accordingly informed of the revised Government orders on 22-8-1955.

3. On receipt of the Government orders, the applicant again approached the Government with his letter dated the 20th September 1956 with a request to reconsider the matter as a special case and my remarks were called for as to whether the area could be granted to the applicant as a special case (vide copy of Govt.endorsement No.FLD 1056/ 106223-E dated 1-10-1956 at page 187 of the file).

(43) 29/c

4. Obviously, the request of the applicant is not covered by the provisions contained in Government Resolution, A.& F.D.No.FDM.1054 dated 28-1-1955. But the fact that the applicant was a Government milling contractor during the foodgrain control days and that he has no other [illegible] land to shift his existing rice mill requires to be considered. The applicant, in addition, is reported to have purchased a saw bench, a beaten rice plant and also constructed a shed with more than 100 corrugated sheets. The cost of all these materials is estimated at Rs.5000/-. To oust him out with all this much investment, would be too harsh.

Under these circumstances, I recommend as a special case that the area of 5 acres (A. G. A. 0-28-0 out of F.S.No.68A1 of Yellapur and A. G. 4-12-0 out of F.S.No.109 of Sahasrallli) may be ordered to be disforested in favour of the applicant in as much as the area was previously ordered to be granted but only subsequently withdrawn on purely technical grounds.

If Government agrees to my proposal, the area may be granted to the applicant on the following grounds:

1. The land shall be granted on new and impartible tenure.

2. The grantee shall pay the occupancy price to be fixed by the Collector.

3. He shall pay the measurement charges and panch value of the revenue trees standing in the area.

4. He should preserve the forest trees in the area till they are disposed of by the Forest Department.

P.T.O.

5. He should construct the buildings in accordance with the building regulations and ribbon development rules in force.

6. The areas should be measured at the cost of the grantee and formed into two separate survey numbers.

7. For breach of any of the above conditions, the grant shall be liable to cancellation.

In forwarding herewith papers (pages 1 to 201) received from the Collector of Kanara under his No.S.105/7113 of 19-6-57 I have to state as under:-

(i) The applicant's rice mill is situated in malki S.No.27 of Yellapur adjoining Yellapur-Hubli road and the area taken in the above S.No. is reported to be sufficient for the rice mill.

(2) The applicant wants 5 acres of forest land from Forest Survey No.68A of Yellapur and 109A of Sahasralli for erecting a sawmill and requests to grant him the above area duly disforested. His request cannot be recommended for the following reasons:-

(i) According to Government of Bombay Resolution A & F.D. No.FDM 1054 dated 28-1-1955 there is no provision to disforest land for erecting a sawmill. The above Government orders are still in force in Belgaum Circle.

(ii) The area contains considerable tree-growth of reserved and unreserved species (pages 91 to 93 of the file).

(iii) The applicant's request for grant of permission to erect a saw mill at Yellapur was not granted by this office. He therefore sent an appeal petition to Government on which I have already sent my report to Government not recommending his request vide this office letter No.A2-160-2073/56 dated 23-8-57.

Belgaum, 13/14 September 1957.

Submitted to the Chief Conservator of Forests in Mysore, Bangalore with reference to his No.A2-125-631/57 of 9.7.1957.

2. It has been reported by the Divisional Forest Officer that the rice mill owned by the applicant is at present situated in Malki S.No.27 of Yellapur adjoining Yellapur Hubli Road. The area taken by him in the above S.No. is only 10 gunthas. This area will be sufficient for the rice mill. But the applicant is thinking of erecting a saw mill. His request for permission to erect a Saw Mill at Yellapur has been refused by the Chief Conservator of Forests in Mysore, Bangalore under his No.A2-160-2073/56 of 17.7.1957. In view of this and since there is no provision to disforest forest land for construction of a Saw Mill in Government Resolution, Agriculture and Forests Department No.FDM-1054 of 28.1.1955, the request of the applicant is not recommended.

3. The applicant's rice mill is at present situated in Maiki S.No. 27 of Kellapur adjoining Kellapur Hubli Road. The area taken up in this maiki is only 10 guntas which is insufficient for installation of the ~~rice~~ saw mill. He has therefore applied for grant of 5 acres land in F.S.Nos. 68A of Kellapur and 109A of Sahasralli.

4. As per G. O. A & F.D.No. FM. 1054 of 28-1-1955, areas in Minor Forests can be granted for public purposes such as Schools, Dispensaries etc. and not for erection of saw mill. The applicant's request was further refused under Chief Conservator of Forests, Mysore, Bangalore under his No. A-2-160-2073/56 of 17-7-1957. Reference: Endorsement No.FLD 1056/106223-E dated 1-10-1956, from Govt. of Bombay, A.& F.D.

The Manager, Raya Manjanath Shetty and Brothers, Ankola, have, in this case, applied for grant of a site measuring 5 acres out of F.S.No.68A of Yellapur and F.S.No.109A of Sahasralli in Yellapur taluka of this district for the purpose of erecting a Rice Mill and Godowns.

The facts of this case are briefly as follows:

2. The applicant had applied for this area in the past and the Government of Bombay were pleased to accord sanction for the disforestment of 5 acres of land (2-30-0 A.G. out of F.S.No.68A1 of Yellapur and 2-10-0 A.G. out of F.S.No.109A of Sahasralli, taluka Yellapur) for the purpose of installing a rice mill and godown attached to the mill (please vide Govt.letter, A.& F.D. Measurement of the area was undertaken by the District Inspector of Land Records, Kanara, and he found that if an area of 2-30-0 A.G. out of F.S.No.68A1 of Yellapur was demarcated in accordance with

The Government of Bombay was, therefore, approached again to accord sanction for the disforestment of A.G.A. 0-28-0 out of F.S.No.68A1 of Yellapur and A.G. In the meantime, revised orders regarding the general policy for granting forest lands in North Kanara District, were issued by Government in their A.& F.D.Resolution No.1054 dated 28-1-1955. In accordance with these revised orders, Bombay Government cancelled their previous orders issued in their letter dated 15-4-1953 sanctioning the disforestment of land in this case (copy of Bombay Government letter enclosed) P.109, since the purpose, viz.installing a rice mill and godown was not covered by paragraph 11(a) of Govt.Resolution, A.& F.D.No.FDM -1054 dated 28-1-1955.The applicant was accordingly informed of the revised Government orders on 22-8-1955.
